H A I L E Y

With “Hailey” Novamur features wallpapers that become eye-catchers due to their contrasting interplay of mattness and gloss.

Leaf tendrils, waves, a damask motif on weathered tiles, concrete with patina and geometric patterns as well as structures reminding of old tree bark play with the eye of the beholder when light falls on them.

The designs look noble and timeless, but also modern due to a slight used look. The calm and elegant colors create a cozy home.
